WELCOME!
BRIDGES OF HOPE
STARTING A
MENTAL HEALTH MINISTRY
Largest Grassroots Mental Health Organization in the U.S.

Mission: Support, Education, Advocacy and Awareness
Zechariah 4:10a NLT

Do not despise these small beginnings, for the LORD rejoices to see the work begin
Kumi Before and After Therapy
WHAT WE WILL COVER

• Create welcoming communities
• Stronger safety nets for people w/ mental illness
• How mental illness impact all of us
• Role of the church
• Simple steps to start a mental health ministry
• How does NAMI help people and churches
Torrents of Mental Illness
Kathy Reed
NAMI Family to Family Teacher and FaithNet Speaker
What is Mental Illness?

- A serious medical illness.
- Includes depression, schizophrenia, bipolar illness, OCD, PTSD and more.
- Are equal opportunity illnesses.
- Untreated, have long reaching consequences.
- Are treatable for most.
RED FLAGS

• a marked personality change;
• an inability to cope with problems and daily activities;
• strange or grandiose ideas;
• excessive anxiety;
• prolonged depression or apathy;
The Scope of Mental Illness

• 1 in 5 adults experiences a mental health disorder in a given year

• About 1 in 17 lives with a serious mental illness

• 26% of the homeless population lives with a serious mental illness
The Scope of Mental Illness

• About 20-25 % of jail and prison inmates and youth involved with juvenile justice live with a mental illness.

• We lose one life to suicide every 15.8 minutes.
The Scope of Mental Illness
Spiritual Questions

• Where is God in this?
• Why do bad things happen to good people?
• How can my faith help me heal?
• What now? Is there meaning and purpose for my life? Where do I belong?
Spiritual Isolation
Questions?
The Role of Faith Communities
Faith Communities’ Unique Role:

• Clergy are on the front lines
• Faith communities are more numerous
• They provide education settings
• They are committed to social justice and caring
• Faith is a key component in coping and recovery
churches Provide a Bridge to Hope
Responding to Illness

When Susie had cancer, she received:

• Visits in the hospital
• Notes and cards
• Meals for her family
• Prayers
• Support for treatment

When Karin had mental illness, she received:

• Visits in the hospital
• Notes and cards
• Meals for her family
• Prayers
  Support for treatment
How to Get Started

I planted the seed, Apollos watered it, but God has been making it grow.

1 Corinthians 3:6
One-on-One Basic Care

You Can Make a Difference

Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. 2 Corinthians 1:3-5 NIV

WHAT TO DO IN A PSYCHIATRIC EMERGENCY

- If they are in imminent danger of hurting themselves or someone else, stay calm and:
  - *If they are cooperative and desire help,* call their psychiatrist, or your nearest community mental health center’s emergency access line.
  - *If they are not cooperative,* call 911 and ask for a C.I.T. officer or a mental health mobile crisis unit.
