Welcome to NAMIWalks...

...where fun, fundraising and friendship come together for one powerful, memorable event. Whether you’re part of a team or registered individually, you’ll be making a contribution to mental health and playing an active part to improve our community.

NAMIWalkers like you are dedicated to achieving “Mental Health for All.” That means for all people, and for all reasons.

A common question is: How long is the route? You’ll definitely be hearing from us about the details. But we like to remind participants that it’s not how far we walk, it’s how far we’ve come — as a local organization and also as a national force. NAMIWalks really walks the walk!

We’re thrilled that you’re joining us for NAMIWalks. Now let’s get started.

*Walk routes vary. Please contact your Local Walk Manager.

Why WE WALK

- To promote awareness of mental health and reduce stigma
- To raise funds for NAMI’s free, top-rated mental health programs
- To build community and let people know they are not alone

Subject: A New Season for a Winning Team

Dear Friend,

Doors are opening in the mental health world as they never have before, and I am standing at the threshold. As a proud NAMIWalks participant, I would be honored if you’d support me.

Soon I will be participating in the NAMIWalks [EVENT NAME], committed to helping my fellow champions to keep pace with the mental health challenges and changes that seem to be multiplying right in front of our eyes.

Even as I write this, I’m reading the latest study from NAMI® that says even with all the positive developments in mental health, 78% of participants with a mood disorder are struggling to find the right treatment!

Will you stand with me and our team for:

1. Promoting public awareness of mental health to reduce stigma
2. Raising funds for NAMI’s free, top-rated mental health programs
3. Building community and let people know we’re in this together

Will you contribute to my fundraising goal of $_______?

Thanks to your gift, we will be one step closer to reaching our goal of Mental Health For All.

Come join me!
